## April 2021

Volume 25, Issue 8

We are so happy it is springtime! Please be sure your children have sneakers and socks on when they come to preschool this month. We will continue to play in the gym, but also perhaps outside as the weather allows. Along with proper footwear, please be sure your child has a jacket/layers (leggings/shorts under skirts & dresses too please) to wear to play outside. The fresh air is so good for all of us!

Please continue to keep your child at home if they or **anyone in the household, or anyone that they have had contact with** isn't feeling well. Please send an email to let us know the reason for the absence and when you think your child may return. [sbcpcdirector@gmail.com](mailto:sbcpcdirector@gmail.com) is the email address to use. We continue to send children home who have presented with a high temperature (100 or more), before exiting their vehicle. We also continue to do temperature checks during the day in order to keep all of us as healthy as possible. Please do not allow children to hold their head outside the car windows upon arrival and waiting in the drop off line. Please share that instruction with anyone who transports your child as well so we can get accurate readings that are not 92 degrees (for example). Please continue to have your child wash their hands upon arrival at home and throughout their day! Thank you!

You are receiving a Carruth order form with this calendar. We are hosting this sale so you can support local, as well as order possible Mother's Day or Babysitter thank you gifts! ☺ Orders are due at preschool by April 20<sup>th</sup>. Checks or money orders made out to SBCP will be acceptable payment. Orders will arrive in time for distribution before Mother's Day.

Scholastic order forms are being sent home again. Please go to [scholastic.com/bookclubs](http://scholastic.com/bookclubs) and use our class code GT4T8. Choose the option for home delivery to be sure you receive your books if preschool should need to close temporarily. You can order books for Easter and summertime reading! Reading is a great way to foster social/emotional connectedness as well as facilitate pre-reading readiness.

4s/5s; We are planning to have a modified graduation ceremony/ art show on the children's last day of preschool in May! We would like to invite you to come to the Family Life Center (gym) on Wednesday, May 12<sup>th</sup> at 11am. Each family will be allowed 4 people (includes children, but not the graduate). Each family will be socially distanced and must wear a mask (5 yrs and up). More details will be provided in May. Plan an early lunch break that day if you can!

Thank you for spreading the word about our preschool! Our enrollment is already up from this time last year for next year's classes! Be sure you have turned in your registration for the 4 or 5 year old class, or any sibling who will begin in our three year old class next fall. We have begun a 4 year old waiting list (we may have 2 classes again next year) and have only a few openings left in our 3 and 5 year old classes! We thank you for your word of mouth advertising about our program! You are our best help! Please continue to share our Facebook posts as well so people know we are still here! Thanks so much!
